Re: Weiss v. Creem & Olsen
Civil Index Number 07cv5712

Hon. Magistrate Dolinger:

This office represents the plaintiff, Judith Weiss in the above referenced matter. I write to request a very short extension of time for all parties to submit the joint pre-trial order. The partner on this file, Mariangela Chiaravalloti, is currently on trial in Supreme Court, Queens County and has not had an opportunity to review defendant's submission. The pre-trial order is currently due today, June 23, 2008. We request an extension to Friday, June 27, 2008. This application is made on consent of all counsel.

A copy of this letter application is being sent to counsel for defendant, Creem via facsimile.

Thank you for your consideration.

ENDORSED ORDER

Respectfully,

SUZANNE M. SCOTT
(SS-5969)

Application granted, but
counsel are reminded that
The trial will not adjourn.
